

# Staycation - do you still need an idea what to do in the Region this summer?

We offer a fun day out on the farm. On the beautiful island Höö in the middle of Möckeln you find the farm of the Hörberg Family with cows, sheep,

chicken, cats and a little childfriendly old deaf dog :-)

After a tour around the farm where you can learn a lot about nature,

how people lived and worked in the past and the thoughts of a farmer nowadays, we will have a little „fika“ outside the farmhouse.

Due to the Corona situation we will only have maximum 15 visitors at a time and we will only be outside. Please make sure to have appropriate clothes with you depending on the weather.

If you have more time left you can explore the island even further: you can go for a walk and check if the calfs escaped through the fence again ;-),

or you could take the bikes and try your luck to find the sheep on the island Lång,

or with little kids you can just play in the sand, drive the plastic traktor and visit the chicken to collect some eggs.

You can book wed-sat at 15.00  
[info@sagolikahoo.se](mailto:info@sagolikahoo.se)  
The price is 150 sek/adult and 80 sek for kids (3-18).

The open places you can find on:  
<http://www.sagolikahoo.se>

We are looking forward to share this wonderful place in the middle of the nature preserved area!
